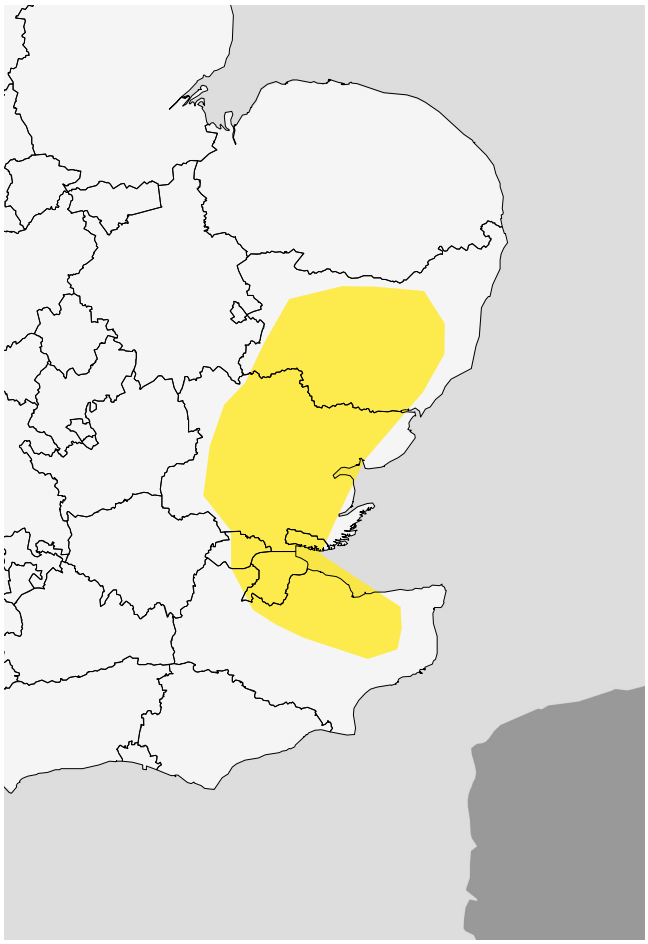
Yellow warning
Thunderstorm

Between
13:00 Fri 1 Sep 2023 and
19:00 Fri 1 Sep 2023



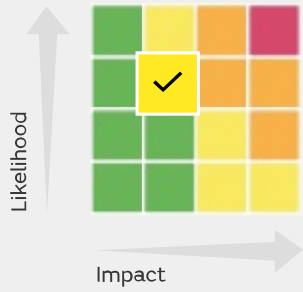
Heavy showers and thunderstorms are likely to lead to some impacts to travel this afternoon.

What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Possibly some damage to a few buildings and structures from lightning strikes
- Some flooding of a few homes and businesses possible, leading to some damage to buildings or structures

Further details

Heavy showers already developing are likely to become focused across parts of Suffolk, Essex and N Kent this afternoon, with isolated thunderstorms also possible. 20-25 mm of rain could occur within an hour in a few places with 50 mm in 2-3 hours where the showers or thunderstorms become slow moving. Lightning will also be an additional hazard.



Medium likelihood of low impacts

Issued at 12:27 Fri 1 Sep, 2023
